What is Pre-K Today?

Pre-K Today is a statewide non-partisan campaign launched by a broad-based coalition from around the Commonwealth committed to efforts to advance dedicated state financing for voluntary high-quality pre-kindergarten programs designed to assure that Pennsylvania's children enter school ready to learn and prepared to succeed.

Pre-K Today supports the Governor's \$75 million proposal in the 2007-08 budget to create Pennsylvania Pre-K Counts. If enacted, Pennsylvania Pre-K Counts will provide approximately 11,000 3- and 4-year-olds with voluntary, high-quality pre-K delivered through a mixed service delivery system in which all providers comply with State Board of Education pre-K regulations and the state's early learning standards.
